CONNECTING THE BODY OF CHRIST

My Anglican

Anglican Church Management System

Church IT Statement

Never before,
in the history of the Christian Church,
have we had the technology,
to enable all of us to work together,
as a united body of Christ,
as we do today!

My Anglican
Anglican Church Management System

www.myanglican.org

Anglican Church of Southern Africa (ACSA) Trusts Board

in February 2015 endorsed My Anglican

as our Provincial Church Management System

Anglican Church Management System

www.myanglican.org

What is My Anglican

At it's core – a database

of churches and parishioners

Some of the things it can be used for:

1. Parish Roll – Compliant with POPI
2. Census data – up to date
3. Direct reporting from Parishes to Diocese
4. A communication portal

Why My Anglican

By using technology of this age, we can become more relevant for this age.

Speed up communication at a macro level

Be a more effective church!
