

Youth Creed

We as young people believe in a God of freedom

A God who accepts us as we are.

We believe in a God that provided and understands
our use of technology

We believe in a God who is able to bring joy and
laughter.

We believe in a God that grants us peace.

We as young people believe in Christ who
understands us

Because He was here.

We believe in Christ who faced the challenges we
faced

Yet you overcame it and so too we shall
overcome.

We as young people believe in a Spirit that brings us to tears

And makes us laugh at the same time.

We believe in a Spirit that is not bound by place or person.

We believe in a Spirit that grants us wisdom

We as the Anglican Youth of
Southern Africa believe in a triune
God

That is able to reclaim the young
people through our willpower and
His grace. Amen

Youth benediction

Our dear youth, go out there and stay focused in the name of our Lord, go and study well, work hard, respect elders, and make the name of Jesus known to other youth in your community in the name of God our Creator. Amen
